# BPOA DIRECTOR HITS COP COMMISSION'S NORTHGATE BACKING

A Broadmoor Property Owners association director today termed "highly unethical" the Broadmoor Police district's action in endorsing incorporation of the area as a sixth class city.

Reversing an earlier announcement of strict neutrality on the incorporation-annexation question, the police commissioners Monday night authorized themselves, members of the regular police department and the reserves to "become an active part of the incorporation movement in order to preserve the Broadmoor Police district."

James McKay, head of the property owners' annexation-incorporation committee, said that police reserves were making a house-to-house canvass this week to secure signatures on an incorporation petition and "giving a sales pitch" for a city of "Northgate."

**Letter On File**

"At the present time we have on file a letter from commissioners of the police district stating that they would not participate in any official capacity for either incorporation or annexation," McKay continued. "In view of this letter, we feel the commissioners and possibly the police are acting unethically," McKay said.

"We had felt we could sit down and meet on a common ground of mutual trust with the district. Apparently this is no longer true," McKay charged.

He added that, "Personally, I think the police reserves have been playing too big a part in the election of the trustees who govern them. The help elect the men who in turn will be giving them orders. In such a situation it's hard to tell who is the master and who is the servant," McKay declared.

**Should Have Notified**

McKay said if the police district wanted to change its neutral position on annexation-incorporation, "They should have notified us. We want to do what's right for the district, not for a small minority. The jobs of two or three people are unimportant when one considers the overall advantage or disadvantage to 1100 home. Our decision isn't going to be made by a few pressure groups."

McKay said the BPOA might take further action on the police district's decision at their regular meeting next Thursday.

In backing the incorporation of Broadmoor-Colma area, the police commission also urged inclusion of the 4000 home McKeon development into the city of Northgate.

The commission said incorporation was necessary to protect the district from increasing strip annexations by neighboring cities, which was rapidly reducing the amount of taxable property in the district and threatening to impair police service.

## DC "Watching" Planned 4000-Home Subdivision

The Daly City council is watching with a "great deal of interest" developments in the huge 4000-home subdivision planned by Chris McKeon just southwest of Westlake, Mayor Joseph J. Verducci said today.

"We haven't yet had any overtures by the developer but the council would be glad to discuss possible annexation," Verducci declared.

South San Francisco and the proposed city of Northgate have already made inquiries about annexation, McKeon said today.

The 375-acre site, now the last large hog ranching operation in northern San Mateo county, was purchased by McKeon for $1,000,000 cash, according to Ralph F. Clark, San Mateo Real Estate broker.

When completed, the project will be valued at over $75,000,000, McKeon reports. Included in plans for the development are a 40-acre shopping center, schools and churches.

The Jefferson Elementary school district has already filed condemnation proceedings for part of the property. According to Superintendent H. Z. Weibel, the board's negotiations for the school site will proceed as no owner was listed in the original papers filed.

Westmoor high school, Jefferson Union high school district's second high school, is already under construction in the area on a 62-acre site.

Clark has suggested that the subdivision be named "Westmoor Heights" after the new school to be built off Skyline.

Sellers of the property were Marsede, Agostina and Madelena Zanone, surviving heirs of Dominga Zanone, early California pioneer. The land has been in the Zanone family for 71 years.

Major portions of the old Pierce, Van Winkle and Patton ranches also were included in the sale.

The Cris and George McKeon firm has constructed over 10,000 homes in the bay area. The only McKeon subdivision in San Mateo county at present is Serra highlands in South San Francisco, although two other subdivisions, Cabrian Park and County Club Gardens, are now under construction in San Jose.

## Elementary Board Asks "Business" Preference For New Assistant Post

The Jefferson Elementary school board Wednesday night declared that they favor a man with a business background for the new position of district administrative assistant. Superintendent H. Z. Weibel will begin a new search for applicants with the announcement by James McKay, 1199 Nimitz drive, Broadmoor, that he is forced to withdraw his application.

McKay said that a long business trip to New York will make it impossible for him to take the position.

The Broadmoor resident was considered top applicant by the majority of the board at a meeting last week. Also withdrawing application was the board's second choice, who has taken a superintendent's post, Weibel said.

Trustees agreed that salary for the position would be left open for the time being and that the man chosen would be paid according to his worth.

Unlike the meeting last week, Wednesday's meet adjourned at 10:50 p.m.

Absent from this week's meeting was Trustee Hartley Appleton.

Other business by the board included:

1. Acceptance of resignations by Mrs. Janice B. Wilcox and Mrs. Virginia Hamilton, both because of pregnancy.

2. Hiring of Barbara Troisi, eighth grade; Joan Egeberg, second grade (replacing Mary Lou Geiger, recently resigned); and Kay Denins, fifth grade.

3. Agreement to hire a foreman of buildings and grounds following decision on the administrative assistant post. The board tentatively set salary of the foreman at about $450 per month.

Good neighbor policy: Mayor JOSEPH VERDUCCI seen at 257 Hillside boulevard this week in sweat shirt and faded jeans mowing the lawn at the home of Councilman DEL WILSON, who is laid up in the hospital with an ulcer.

Del's wife is also sick, so Coach Joe is filling in as gardener at the Wilson residence, probably preparing himself for the rigors of fall football training at SFS.

A real Yankee peddler: One local gent, instead of mailing $1 each for the policemen's ball tickets sent him, mailed in tickets for another benefit affair, kept the police ball ducats.

## THREE MISHAPS IN ONE WEEK AT JEFFERSON HIGH

After a quiet summer virtually free of any accidents, Jefferson High school summer program was disrupted last week with three injuries.

Two youths suffered broken toes, while another received a fractured ankle.

Two of the mishaps occurred Thursday. Bob Payne, 12, started the day off on the athletic field by standing under a vehicle that was started by his brother, Tom. The wheel ran over his toe, breaking it.

Michael Blume, 12, was the second victim that day. He slipped in the shower rooms, breaking his toe on a locker.

A few days earlier Darrell Luna, 14, suffered a broken ankle when he twisted his foot while diving off the board at the Jefferson pool.

Jefferson High school trustees discussed the incidents Monday night and maintained that the district was not liable for the accidents.

## Daly City Insurance Too High, Broker Tells City Council

Daly City is spending too much money for its insurance.

This was concensus of a letter written this week to the city council by local broker George Lagomarsino.

Pointing out that the present fire, malicious mischief and vandalism coverage costs the city $7040 over a five-year period, Lagomarsino said he had obtained

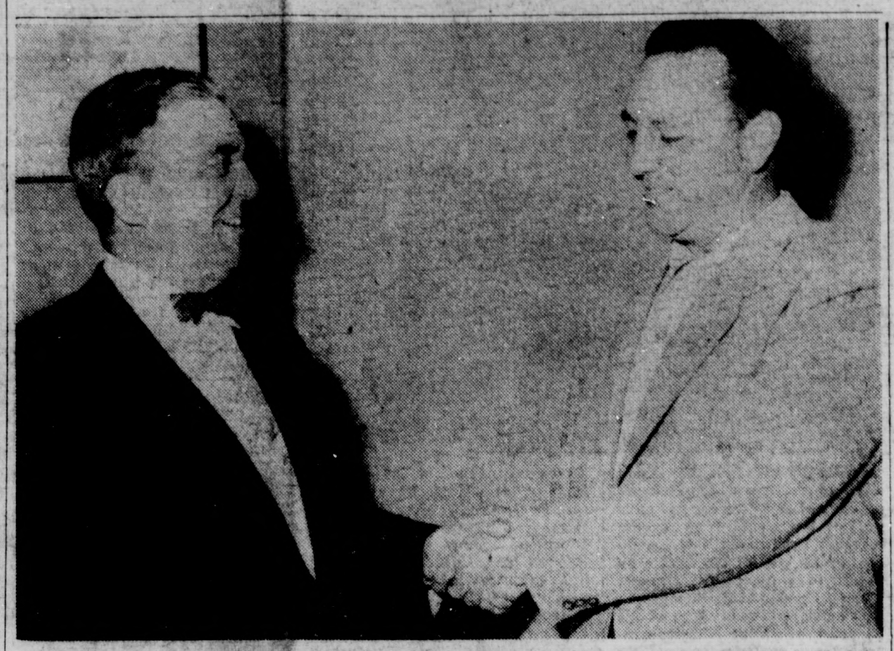
# Cop To Appeal Dismissal By Council



JOHN J. FAHEY, JR. (left) and his client, David H. Johnstone, Jr., were elated to hear the recommendation of the civil service board of review Monday night, only to find that the city council reversed the board's decision. Voting for Johnstone's ouster were Councilmen Joseph J. Verducci, Sanford Vickers and Micheal De Bernardi, casting the lone "no" vote was Edward Dennis, and absent because of illness was Del Wilson. The civil service board cleared Johnstone of all charges and recommended that he be reinstated in his former position of police inspector. Fahey said today that he will fight the council's decision in appellate court.

## REINSTATEMENT IS ASKED BY CS BOARD

**In a three-to-one vote Monday night, the city council overruled the recommendation of the civil service board of review and reaffirmed their stand in firing David H. Johnstone Jr., former Daly City police inspector. The board of review, after studying transcripts of the recent hearing, recommended that Johnstone be reinstated as an inspector.**

### Board Hearing For Fired Cop Proves Costly

Cost of the civil service board of review hearing for David H. Johnstone, Jr., ousted police inspector, has reached $1,254.26 as of today and may total close to $2000 when all bills have been received by the city.

City Clerk B. C. Ross declared today that hearing costs will be paid from the city's general fund.

Burress Karmel, Burlingame city attorney, who acted as counsel for the board of review, has still to submit a bill. He told THE RECORD, however, that the $150 minimum daily fee set by the county bar association will be used as a "guide" in billing the city.

Karmel was present at one full day of testimony, one evening of testimony and one evening of final arguments.

**"Blum—No"**

City Manager Howard Stites said today that he does not think Daly City Attorney Frank Blum will be paid extra compensation for his part in the hearing.

Largest portion of the hearing expense was for transcripts and Court Reporter Robert C. Kull's salary, amounting to a total of $1,059.50.

The remainder of the bills were submitted by the three board of review members and three councilmen.

Following is the present list of bills submitted to the city, released today by Ross:

**Salary Bills**

SALARIES: Harry Bosbery, one day (June 29) $21.25; John C. Degliantoni, one day (June 29), $20; Clarence H. Schmidt, one day (June 29), $20; and Sanford G. Vickers, three days (June 23, 28 and 29), $78.26.

OTHER EXPENSES: Michael De Bernardi, $24.75; Del C. Wilson, $25; Harry Bosbery, three luncheons, $5.50.

COURT REPORTER SALARY: evening of June 17, evening of June 23, day of June 29, evening of June 29 and evening of July 15, $150 total.

TRANSCRIPTS: advance copy of District Attorney Keith Sorenson's testimony, $35.70; and entire transcripts, $873.50.

Attorney for Johnstone, John J. Fahey Jr., said today that he "definitely" plans legal action but declined to state at the present time just what steps he will take.

Findings of the civil service board were opened in the city manager's office shortly before the council opened the adjourned meeting in the council chambers.

The three-man board of review absolved Johnstone from any wrongdoing and stated "that from any evidence presented there are no grounds for discharge action against the dismissed employee."

Besides recommending that Johnstone be reinstated as an inspector, the board asked that "reinstatement be made effective from the date of dismissal" and that Johnstone "be paid his accrued salary from the date of dismissal to the date of reinstatement."

**Stites Opinion**

Following the reading of the board's recommendations in the council chambers, City Manager Howard Stites was asked his opinion.

"Nothing was brought out during the hearing which was not considered before by the council and myself," Stites told the council. "I see no reason to change my original recommendation."

Dennis interjected, "the decision is not up to Stites," which statement was immediately objected to by Verducci who declared that Stites was "working with" the council.

Dennis then made a motion that the council concur with the board

## Cops Explain "Mysterious" Death Here

Daly City police said today they could explain the death of Robert J. McNaught, Jr., 29, 4789 Mission street, who was found dead here at the home of a friend on June 29.

Further investigation into the death was recommended by the coroner's jury last week when it was determined that McNaught died of a brain hemorrhage but not how the injury was sustained.

Following a wild all-day drinking bout, the youth was found dead at the home of Kenneth F. O'Brien, 1126 Brunswick street. Police said that they have witnesses to testify that McNaught was drunk the day of his death and that he fell and hit his head while pushing a car.

It was also disclosed that McNaught had suffered previous head injuries.

Coroner Paul Jensen testified at the inquest that blood tests showed the alcoholic content to be at a low level. However, he pointed out that McNaught had been dead at least six hours before tests were made.

Local police said today that the alcohol in the blood could have

## Engineer And Auditor Take Up City Positions

Two persons, a temporary city engineer and a permanent auditor, went on the city payroll this week. Named to the engineer's post is Cyril F. Weiler and to the auditor position is Jerome Scharfman.

Weiler just recently left a position as director of public works at Juneau, Alaska. City Manager Howard Stites emphasized the fact that Weiler's appointment is only temporary but that he will be considered, along with other applicants, for the permanent position.

The engineer attended the Missouri Valley college and the University of North Carolina and received his bachelor of science degree in civil engineering from the University of Notre Dame in 1950.

He served in the city engineer's office of Aurora, Illinois, during school vacation periods and for a year following graduation.

In 1951 he served as senior engineer for the United States Rubber company and in 1952 left for the Alaska post.

Weiler is 29 years old, is married and has a son, 3. He served four years in the Navy Air corps during World War II.

His starting salary is approxi-

## ELEM. TRUSTEES PONDER 2 OFFICE LOCATION OFFERS

Two possible locations for a temporary administration building are being considered by the Jefferson Elementary school board of trustees. Offers have been made by Henry Doelger and Harry C. Curusis.

The board is discontinuing use of the present administration building, 344 Santa Barbara avenue, because it will release the space for use as classrooms. According to Superintendent H. Z. Weibel, 180 children will thus escape double sessions.

An apartment house at Crocker and Irvington streets, offered by Curusis, is one of the two possibilities. Curusis told the board that rent for the building will run $400 a month. Rent for three years, plus $480 taxes, plus an estimated $9000 to $10,000 conversion cost would run the expenditure close to $25,000 for three years.

Possible decrease in the cost appeared Wednesday night when Curusis offered to draw up plans for converting the building at his expense and perhaps carry the conversion expenditure himself.

Curusis has told the board that the district would have to bear the cost of utilities also.

Other offer to the board is the use of a floor in one of the West-

## COUNCIL OK'S SEALS STADIUM "DC NIGHT"

**Plans for promoting "Daly City Night" at Seals Stadium in the near future were advanced Monday night by the city council. Walter Mails, Seals publicist, suggested that Daly City hold "family night" so that children would benefit by the reduced prices.**

**The council will refer the matter to the chamber of commerce and local merchants.**

**Westlake merchants are sponsoring a "Westlake Night" at Seals Stadium on August 25. Mayor Joseph J. Verducci said Monday that the council will work towards holding a combined "Daly City and Westlake Night" next year for the "sake of unity."**

**Another suggestion offered by Mails was that the city promote a Daly City Little League game prior to the Seals contest on "Daly City Night."**

RUNAWAY CAR travelled an entire block on Abbot avenue Friday morning, but luckily missed hitting any of the many children playing on the street. The vehicle, parked at 336 Abbot by Dorothy Lynch, 401 Third avenue, Daly City, broke loose and careened down the sidewalk, stopping after momentum was slowed by house shown in photo at 433 Castle street, owned by Pete Maffei. Side of house, shrubs, fence and lawn of the Maffei residence were damaged, while minor damage was done to residence at 448 Abbot. Owner of the runaway vehicle was cited for failing to cramp wheels into curb.

### Automobile-Bike Mishap Injures Daly City Boy

An eight-year-old Daly City boy was treated at Junipero Serra hospital Tuesday afternoon when he was thrown from his bicycle in an auto-bicycle collision at Valley street near First avenue.

Suffering cuts and bruises was Daniel Raylance, 236 Second avenue. Police said that the accident occurred when the boy's bicycle struck a car driven by Arlin J. Reeves, 35, 360 Third avenue, Colma.

## Jitneys File Application To Operate In Broadmoor-Colma

Application to operate 12 vehicles in the unincorporated Broadmoor-Colma areas was filed with the state public utilities commission Tuesday by Northgate Transit Co., Inc., operators of the Daly City jitney line.

The request for certificate of convenience to operate states that there is presently no public form of transportation to serve these areas.

The jitneys would operate on 20-minute intervals weekdays, 30 minutes Sundays and holidays.

A commission spokesman said hearing on the application would be set within 60 days, at which time arguments for and against the proposal may be heard.

Meanwhile, the commission announced their decision was still pending on the application of Burt Perkins, representing Westmoor Transit Lines, to operate a cummuter bus system in the same unincorporated areas sought by the jitneys.

Whether the jitneys application would take precedence over Perkins' was not revealed.

He will be paid $6000 per year, the first step on the civil service scale.

oxidized between the time of death and the time the tests were taken.

Another discrepancy in the death was cleared when police declared that they have secured witnesses to explain the disappearance of more than $100 from McNaught's person. The dead youth's father testified at the inquest that his son had $120 in possession the day before his death.

Police claim, however, that witnesses have said that McNaught spent the money on liquor during the day.

Other verdicts arrived at by the jury last week included:

Howard E. Reichardt, 56, operator of a Colma duck farm, committed suicide with a gun because of despondency over business.

Richard E. Brown, 30, 433 C street, Colma, hanged himself June 30 while despondent over personal matters.

lake Shopping Center buildings. Total cost here would amount to $20,770, with cost of conversion and utilities being borne by the Doelger corporation. Rent would amount to $575 per month.

Construction of the Daly City War Memorial building for use as school administration offices was ruled out Wednesday night by the board. Weibel explained that the city is already planning offices in the desired space.

## *Youth, 14, Molests Four-Year-Old Girl*

A 14-year-old boy was turned over to local police Monday evening when the boy was found molesting a 4 year old girl. The child's father told officers that he found the youth molesting his daughter in the doorway of a Mission street store.

The boy, visiting relatives here, is from another state. Police released him to the custody of his relatives, but forwarded a report of the incident to juvenile authorities in his home town.

of review's findings. It died for want of a second.

"I have full confidence in the board of review," declared Dennis. "It would be an injustice to change their recommendation."

Dennis, even prior to the opening of the civil service board's recommendation, had publicly stated that he would follow the board's findings.

**Vickers Motion**

A second motion, this time to accept Stites' recommendation, was made by Vickers and seconded by Verducci. A formal vote on the motion was delayed, however, until members of the pro-Johnstone audience berated the council and Stites.

"Why do you have a board of review if you just ignore their recommendation?" asked Tony Ricci, former chairman of the now-defunct police commission.

Verducci explained that the ordinance defining the duties of the board of review dates back to 1937 and will soon be revised by the council.

Verducci was corrected by George Kirchhubel, local tavern owner, who declared that the ordinance was passed in 1936.

Kirchhubel broadened his criticism.

"Where does it say in the ordinance that Stites can make a recommendation?" he asked the council. "First he makes the charges and then a recommendation."

It was explained that Stites had a legal right to recommend and discharge an employee under the disputed ordinance.

**"In Middle"**

Ricci took up the stand against Stites. "He (Stites) only just took office, and he doesn't know the facts," Ricci told the council. "Why put him in the middle?"

"I gave my testimony during the hearing," Stites retorted. "I see nothing to be gained by repeating myself."

"All the testimony was hearsay," Ricci insisted.

Next to address the council was Tony Parmisano, 101 Evergreen avenue, who asked the council why they didn't do away with the board of review.

"It costs quite a bit of money," he stated. "Why not just fire them all if you're going to ignore them?"

Vickers again tried to proceed with his motion but was interrupted by Ricci, Kirchhubel and finally, Allen Pettigrew.

Pettigrew, explaining that he doesn't hold a high school diploma, said that he still knew "a man is innocent until proven guilty."

**Unanimous Decision**

"I don't understand the council's action when a three-man board gives a unanimous decision reinstating Johnstone," he declared.

Pettigrew's remark was greeted with loud applause by the audience and Verducci threatened to clear the room.

Verducci then restated his opinions:

1. The board of review was established in 1936 before any of the present council members were in office.

2. The three council members feel in their own minds that the original charges are substantiated.

"The council is supposed to be the people's voice, but you aren't my voice," Pettigrew retored.

Applause from the audience again greeted Pettigrew.

Formal vote was taken by the council and the meeting closed.

Johnstone was fired from the police force on May 23 and charged with "association with known gamblers" and "failure to inform Police Chief Roland Petrocchi of all investigations." Primary instigator of the firing was District Attorney Keith Sorenson who requested Johnstone's ouster in a letter to Petrocchi.

rates from another firm which would offer identical coverage for $4720 for the same period.

Lagomarsino said the Oregon Mutual Insurance Company would offer the low insurance, with a total saving to the city of $2320 over a five-year period.

The local businessman said, "As a property owner, taxpayer and insurance broker in Daly City, I have taken it upon myself to complete a thorough study of the problem of insuring all municipal properties."

He said it was the duty of the council to make a thorough study of the matter with a view toward considering a change of insurance companies.

**TYPICAL SCENE** in the local unincorporated areas is the circulating of petitions for the calling of an election to decide whether the area will incorporate as the city of Northgate or annex to Daly City. Thomas Noonan, leader of the incorporation move, said today that about 95 per cent of the persons contacted have signed petitions. He estimated that about 500 homes have so far indicated that they are in favor of the election. Here Mrs. Vincent Cauchi, 836 Wildwood avenue, hands a petition to Mrs. Luther Crawford, 820 Ellis drive. Mrs. Crawford's daughter, Carol Jean, 6, looks on at the proceedings.

## *JEFF HIGH MACHINE SHOP BURGLARIZED*

The Jefferson High school machine shop was burglarized of $472 worth of tools Monday night. Police said today that they are investigating fingerprints left by the culprits.

Burglars apparently entered the building by breaking one of the windows. Only certain tools were stolen while others were left, police said.

Some of the stolen articles apparently belonged to C. Slinger, 385 Acacia street, San Francisco, shop teacher.

The burglary was reported by Neil Nelson, 80 Station avenue, building superintendent.

## Applications For Special Deer Hunts Gaining

A steady flow of applications for the ten special deer hunts approved recently by the Fish and Game Commission is being received by the Department of Fish and Game.

In response to many inquiries being received by the Department, informational leaflets giving details of the hunts and how to apply for permits have been distributed to the Department's license agents.

A total of 9,118 permits will be issued by lottery for the ten hunts. The Tehama county antlerless hunt is allocated the largest number of permits, with 5000, and the Glennville either sex hunt in Kern and Tulare counties the smallest, with 180.

Applications for the Napa, San Benito and Mineral King hunts must be received at Department headquarters, 926 J street, Sacramento, by August 25. Applications for the remainder of the hunts must be in by October 3.

Application forms are attached to the 1955 deer tags, and no other forms will be available.

## Sportsmen Asked To Keep Clean Camp

With the opening of deer season next month, mountains and woodland areas of the state will be visited by thousands of both hunters and fishermen at the same time, necessitating extra vigilance in preventing fires, and keeping public areas clean, the Department of Fish and Game stressed today.

"Persons hunting on both public and private land have a real responsibility not only in preventing fires, but in keeping the camp sites in clean condition," the Department pointed out.

## Marine Research Group Sees Fewer Sardines

There are fewer adult sardines off the Pacific Coast of North America today than were caught by commercial fishermen in the 1936-37 season, the Marine Research Committee has estimated.

Department of Fish and Game officials attending the group's recent meeting reported that an estimate was made of about 600,000 tons of adult fish offshore today, as compared to a catch of 791,000 tons during the 1936-37 season.

The committee also reported that the 1954 year class appears to have been the poorest one in six years, considering the coast as a whole. Taking the area north of Ensenada, Baja California, the class was just fair.

Forecasting the 1955-56 season, which begins August 1 in the northern area, the committee estimated that about 300,000 tons of adult fish will be available for the commercial catch, of which about 150,000 tons could be caught. This figure is about the same as last year, although strikes and market conditions held the 1954-55 catch to about 67,000 tons.

## LET'S REVIEW THE BOARD OF REVIEW

**The current civil service rules and regulations notwithstanding, existence of a civil service board of review in Daly City seems to perform no real service in view of the just completed David Johnstone case.**

**Despite the recommendation of the board of review for reinstatement, which was reached after an expenditure of more than $1500 in city funds, in addition to decreeing that the accused officer be paid some $700 in back wages for which he gave no service, the council reiterated its earlier stand and voted to fire Johnstone from the police force.**

**To do away with an employee's right to public hearing would be contrary to all that this country stands for, but inasmuch as the board of review hearing is quasi-official and their decision is only advisory, the cost and time consumed in the hearing was wasted energy.**

**If transcripts of the board of review hearings, which cost nearly $1000, are used in appellate courts by the defendant, they will bear little weight because of the board's non-judicial status.**

**If the decision is appealed, all that was said here will be repeated at the appellate level courts.**

**Since the council is not bound by the civil service board of review's decision and sees fit to abide by their original policy, the board is therefore an unnecessary and costly step in the administration of Daly City's civil service rules.**

**Although both the board and the council appeared to have acted in good faith, there still remains something amiss in the structure of Daly City's, and perhaps the state's, rules and regulations on such isolated cases as the firing of an employee.**

**Neither party would be served by altogether eliminating the board of review: The city must protect its fundamental right to summarily dismiss an employee when it feels the action warranted, and must be able to substantiate its action through an open hearing; while the basic right of the employee to defend himself against arbitrary dismissal must be upheld.**

**But both rights have been partially impaired in this case, the city being forced to spend more than $1500 to remove an employee from a position that never implied a guarantee of permanency; and Johnstone being cleared of the charges against him by the "trial" agency, yet declared guilty by his original accusers, i. e., the city council through their representative, the city manager.**

**Although cases such as this are not a common thing, it would be well to review the status of civil service and all that its rules imply in Daly City . . . for the benefit of the city as well as the employees.**

## TV and Radio

By Mona Baker

**KQED MANAGER HONORED**

James Day, General Manager of Channel 9, has been selected as Conference Chairman of the ninth annual meeting of the Western Radio and Television Conference to be held at San Francisco State college next February. The meeting which is attended by outstanding leaders in education and the radio and television industries is now the largest combined broadcasting and education meeting in the west. The purpose of the meeting is to study and discuss ways of continually improving broadcasting facilities and programs. Members of the conference will review the growth and development of radio and television and demonstrate the latest studio and classroom techniques and utilization.

**KIDDIES' CORNER**

"Ding Dong School," NBC's outstanding pre-school children's program seen Monday through Friday on KRON-TV at 10 a.m., has been extended 15 minutes with a discussion period conducted by Dr. Frances Horwich entitled "Parents Time" at 10:30 a.m. "Ding Dong School" has long been a favorite of the tricycle set, and we feel confident that "Parents Time" will become a must in mother's day. In the program that we watched, Dr. Horwich conducted a very enlightening interview with a young mother of five children. In the brief time that they talked many everyday problems that all parents face at some time during their lives were discussed and some excellent solutions offered. So why not plan to set aside those 15 minutes in your morning and have another cup of coffee at 10:30 each day. We feel certain that you will find the program beneficial as well as entertaining.

**PUBLIC SERVICE PROGRAM**

A fine example of what a television channel can do in the public service field is the results obtained from the showing of KRON-TV's forceful documentary, "Report on Narcotics," which has been shown before school and other groups throughout the state since the initial telecast on KRON in April of last year. In fact there is a possibility that the film may become an international feature as discussions are now in progress with the Canadian Broadcasting Corporation. The state board of narcotics enforcement has used the film most consistently, and Inspector Clyde W. Carpenter of the bureau estimates that since April, 1954, films have been shown to over 50 different school groups with an average attendance of around 200 each. The reports following the meetings by school authorities have been most gratifying, and the bureau's chief, Walter R. Creighton, commented, "These films are authentic and detailed and have focussed the attention of all who have seen them on a most serious problem of our time. The results have been the creation of a gratifying interest in combatting an unhealthy situation. We most certainly will continue to use these films as part of our educational program." We certainly hope that television and radio stations through the use of their powerful media will continue to serve the best interest of the public by doing their bit to help solve the many problems that face our citizens.

**EDUCATIONAL TV**

According to the last bulletin issued by the national citizens committee for educational television, there are now 13 ETV stations under construction with a potential audience of nearly 21 million. These are in addition to the 13 non-commercial outlets already on the air. When the new stations are completed, some within a few months, the total potential ETV audience will reach almost 46 million, which is 10 million more than the nation's present school enrollment.

**COMING PROGRAMS**

Mutual-Don Lee's program "Sounding Board" heard over KFRC, Saturday, August 6, 8:30 p.m. will feature a discussion on the topic "Are Pressure Groups Ruining Our Schools."

Peabody-award winning program "Industry on Parade," KOVR, Sunday, August 7, 1:45 p.m., will show how blind workers save taxpayers $60,000 a year in the making of huge B-47 Stratojet bombers because of their sensitive touch.

## Letters To The Editor

### "Canada Ernie" Is Lauded For "New Glory" Flag

Aug. 1, 1955

Dear Mr. Bradshaw:

The following letters are the replies we have received concerning the New Glory 50 Star Flag:

July 16, 1955

"Dear 'Canada Ernie':

"Thank you for sending me the article and picture showing the "NEW GLORY" flag that you have designed.

"You are so right in saying that no American flag can be complete without including Alaska and Hawaii as states of the Union, and I am delighted to know that we have such a young and good-looking champion in our statehood cause.

"Do keep up the good work! We are coming nearer and nearer to our goal in each session of the Congress, I think, and I am quite confident that it will not be too long until we will have need for a newly designed flag.

"Our cause is so right that it must succeed.

With my Aloha,
Mrs. Joseph R. Farrington
Delegate from Hawaii"

July 14, 1595

"Dear Mr. Ernie:

"This is to thank you for sending me the article which appeared in the newspaper concerning your recently designed flag for the "United States of North America." I have read with interest of your activities and appreciate your bringing them to my attention.

Sincerely yours,
William F. Knowland
Senator from California"

July 14, 1955

"Dear Mr. Schallebaum:

"The clipping from the newspaper is most interesting and I want to thank you for sending it to me. Your 50-star flag is most attractive and I hope we see such a flag flying in the not too far distant future.

Sincerely yours,
E. L. Bartlett
Delegate from Alaska"

P.S. Replies of interest have also been received from TIME and LOOK magazine.

Sincerely yours,
"Canada Ernie" Schallebaum

### ANOTHER WESTLAKE RESIDENT VOTES FOR DOG LEASH LAW

Dear Sir:

Please sign me up as another who wants a "leash law" in Westlake, I own not one but three dogs and in the yard they can run and frolic also in the basement of our home, BUT on the street at any time they walk on a leash. I also "curb" them when they must do their duty. They, I admit, are well trained, but if I must do this to live with all my neighbors so should others who must live in our city of "Westlake." . . .

Also would appreciate the suggestion that the paths for the horses be widened on Alemany boulevard, and also watered frequently. Also a stop light similar to the signal at 7th avenue and Fulton in San Francisco be installed on Alemany boulevard just a hundred feet EAST of the intersection of Dorchester and Alemany boulevard. So that horses and riders can cross the highway without loss of life and limb to both.

Also if the Muni Railway bus line schedule were printed in the paper and its route and termination points given many of us would ride more frequently—also make its San Francisco termination the WEST PORTAL TUNNEL a few blocks further than it is now and THREE streetcars to make connections with. . . "K," "L" and "M" . . .

Thank you for your cooperation and for a greater Westlake.

## Two For Tonight

By Leonore Brewer

The happy results of one of the great collaborations in the history of the theatre can be seen on the stage of the Geary Theatre, where the D'Oyly Carte Opera Company is presenting a short season of the Gilbert and Sullivan comic operas.

At the moment of writing, the curtain hasn't yet risen, so while waiting let's retell a few of the anecdotes about William S. Gilbert and Arthur Sullivan who were introduced one morning in 1869 in an empty English theatre.

Possibly the earliest tale is an episode in the life of Gilbert, at the tender age of two. While on a trip to Italy with his parents he was kidnapped and held for ransome, 25 pounds. Pappa paid. Considering the laughter that Gilbert as the Jester of the Victorian Age was to give the world in the years to come, it would have been cheap at twice the price. Yours later, he made use of the idea of the stolen baby in both "Pirates" and "Gondoliers."

**Historic Meeting**

It may surprise some to know that Sullivan in his early thirties was the most famous composer and conductor in Englang, noted for his "serious" music, most of it long since forgotten, including his one grand opera, "Ivanhoe." Had it not been for the happy chance of his meeting Gilbert, Sullivan's fame would rest today on "Onward Christian Soldiers" and "The Lost Chord." At the time of the historic meeting, the other half of this famous team was the leading comic writer of the London stage.

Surprisingly enough, the result of their first joint efforts, "Thespis, or The Gods Grown Old," was a failure. This might have discouraged the pair from going on had they not met a young impresario, Richard D'Oyly Carte. With his encouragement they wrote "Trial by Jury," the only Gilbert and Sullivan opera set to music entirely without spoken dialogue, bert and Sullivan on a career which was to span some 25 years and which the celebrated author Lytton Strachey termed "the most permanent and enduring achievement of the Victorian Age."

**"Pinafore" Pirated**

During their season in San Francisco, the D'Oyly Carte Opera Company is presenting "Trial by Jury" and "Pinafore" on the same evening. The latter made its debut on May 25, 1878, and not only ran in London for 700 consecutive nights but had various unauthorized performances at another theatre and was adopted and pirated in the United States. The pirating of "Pinafore" brought about Gilbert and Sullivan's visit to New York in 1879 to produce an authorized version at the Fifth Avenue Theatre.

TIDBITS . . .. During the recent European tour of the New York City Ballet (due at the Opera House for a two-week run beginning August 15) "Western Symphony" won an exceptional reception. One reviewer referred to it as the "Texan Prince Igor."

### MOTORCYCLE RIDER ESCAPES INJURIES IN ACCIDENT HERE

A Belmont motorcycle rider escaped serious injury Monday afternoon when he crashed with a cement mixer truck on Junipero Serra boulevard just south of Alemany.

Driver of the cement mixer, Raymond Verzelo, 24, 2067 Bancroft street, San Francisco, was cited by police for making an improper U-turn. Officers said that Verzello, going south, attempted a U-turn from the slow lane of traffic. The motorcycle, also going south but in the fast lane, crashed into the truck.

William H. Marshall, 33, 1261 Granada, Belmont, driver of the motorcycle, was thrown to the pavement while his motorcycle was pinned under the truck.

Marshall was treated at Junipero Serra hospital for cuts and bruises and released.

## JEFF ELEMENTARY BOARD STATES 5c REC TAX POLICY

The Jefferson Elementary school board went on record Wednesday night as "definitely" approving a five-cent recreation tax. Trustee Chairman Michael Callan's motion stipulated that "the tax money will be used for a recreation program if possible. However, if no additional money is forthcoming, the five-cent tax will be used for the development of school grounds for recreational purposes."

On Trustee Katherine Mullen's suggestion, the board declared that a resolution would be drafted explaining the trustees' position on the recreation tax. The district attorney will word the resolution.

Action on the recreation tax was taken by the board following passage of the 1955-56 budget.

Total budget this year is $1,705,354 while preliminary budget approved by the board a few weeks ago amounted to $1,751,198. Superintendent H. Z. Weibel explained the difference today as an error by the district in putting the cost of the Zanone property in two places. He added that the county corrected the mistake thus lowering the total budget.

Weibel declined to state whether the difference in the total budget would lower the tax rate but said that the tax rate figure will be released shortly after the assessed valuation figure is announced by the board of supervisors on August 15.

### Twenty Acres Burn In Crocker Hills Fire

A grass fire on the Crocker hills east of Colma blazed for eight hours Wednesday, consuming some 20 acres of grazing land but doing no appreciable damage.

County fire department had 10 men, three engines and a caterpillar tractor at the scene of the flames from 3 to 11 p.m., when they extinguished the glaze.

Firemen said children playing with matches probably started the fire.

### School Lunchroom Staff Named By Jeff Elementary Trustees

Six Colma school luncheon workers were named Wednesday night at a meeting of the Jefferson Elementary school board. The women will assist Mrs. Sanford Vickers, cafeteria manager.

Appointees are:

Mrs. Amelia Lewellen, 55 Daly Court, South San Francisco, head cook; Mrs. Marion Armstrong, 46 Eastlake avenue, assistant cook; Mrs. Aline Johnson, 142 Winchester street, helper; Mrs. Darlene Hitchiner, 101 Citrus avenue, helper; Mrs. Myrtle Kell, 708 Niantic avenue, helper; and Mrs. Frances Bauer, 138 School street, helper.

Mrs. Vickers will be paid the equivalent of $1.50 an hour, and the other workers will be paid $1.25 an hour, according to Superintendent H. Z. Weibel.

### Hilltop Appeal Set In Capitol August 18

The appeal board of the state department of alcoholic beverage control will review the decision calling for revocation of the Hilltop Lodge liquor license when it convenes August 18 in Sacramento.

George and Ann Kirchhubel and Dan Pallas, co-owners of the establishment at 22 Hillcrest drive, represented by Attorney John J. Fahey Jr., have appealed the revocation order that came after several lengthy hearings before the board of equalization.

Fahey will be on hand at the August 18 hearing.

### 79-Year-Old Man Tries Death In Window Leap

A 79-year-old Daly City man, suffering from cancer, failed in a suicide attempt Friday afternoon.

Police said that Silvio Campodonico of 78 Alp street jumped from a one-story window of his house. He was discovered lying on the sidewalk by Charles Mashinot, Daly City poundmaster. Campodonico was rushed to Junipero Serra hospital by police ambulance and treated for minor injuries.

## Trustees May Enact Elementary School Improvement Plan

On the suggestion of Lee O. Lester, 114 Westdale avenue, the Jefferson Elementary school board tentatively agreed last week to draw up a master plan for necessary school improvements.

Lester, who has badgered the board in the last few months for a new paint job on the Westlake school fence, asked that funds be allocated each year for capital improvements.

"I realize that the Westlake school is not the only school in need of improvements," Lester declared. "I would like to see the board take action to correct all schools."

Lester continued his argument by stating that the board is losing money by "pinching pennies," and added that the district, by following his suggestion, would save money in maintenance cost.

Trustee Katherine Mullen asked Lester if he thought the public would approve a plan whereby improvements could be made on a district basis.

"I think the people would go along with any concrete move," Lester insisted. "They want to see progress—wherever the school is."

### Second Cabinet Shop Break-In Reported

For the second time in as many weeks, a cabinet shop was broken into in the Broadmoor Police district.

Victim this week was Curley's Cabinet Shop, Third and Market streets, which was ransacked sometime between 4 p.m. Monday and 8 a.m. Tuesday.

Police said the culprits entered the building through an 18-inch hole at the rear, leading to the belief that children committed the job.

Loot taken included miscellaneous carpentry equipment and a $1 bill that was pasted on the wall as the first income earned by the company.

Owner Pat Amundson estimated total value of the material lost at $82.

## Mayor Says Council Will Annex Strip As Soon As Law Allows

The Daly City council will annex the controversial Conti-Bocci strip as soon as it is legally possible, Mayor Joseph J. Verducci declared today.

The strip bisects the proposed city of Northgate and if annexed to Daly City, would ruin plans for incorporation.

Daly City officials claim that they have prior jurisdiction over the property because annexation proceedings had started before incorporation proponents filed proposed boundaries with the county boundary commission.

On the other hand, Thomas Noonan, leader of the incorporation move, states that the Northgate factor has prior jurisdiction because of their action with the boundary commission.

The mayor said today that the council is waiting only official approval of Colma and San Francisco before proceeding with the strip annexation.

### Broadmoor Teamster Charged With Drunk Driving By Police

A Broadmoor teamster was arrested in Westlake Friday night and charged with drunk driving.

Scheduled to appear in municipal court on Tuesday is Robert J. Hanrahan, 34, 512—87th street, Broadmoor. Hanrahan is now out on $250 cash bail.

The teamster was stopped at Lynnewood and Southgate when officers allegedly saw him speeding 35 or 40 miles an hour in a 25 mile zone and in dense fog. According to police, Hanrahan's sobriety test proved positive.

Despite pleas by Antonio Gaudio, attorney for the proposed city of Northgate, the South San Francisco council in a three-to-one vote Monday night granted approval to Daly City.

The highly-disputed strip runs parallel to Junipero Serra boulevard. Proposal for annexation to Daly City was made by Edward Bocci and the Conti Estate.

DAVID STEWARD, Daly City's parade promoter, signs another entrant to his growing list of parade participants. On August 27 the boy plans an even bigger event than seen by Daly City last year. The city council declared Monday night that they will aid David in his endeavor, and City Manager Howard Stites agreed to serve on the parade committee. The first meeting of the committee was held last Thursday night at the city hall, 75 Wellington avenue, starting at 8 p.m.

# DC Council Offers Their Assistance On David's Parade

Daly City's parade promoter, David Steward, asked and won the approval of the city council Monday night for the "biggest and best" parade ever.

Last year the 14-year-old boy planned the biggest parade Daly City had ever seen when an overwhelming public response greeted the boy's request.

This year David, who declares, "I just like parades," has planned the event for August 27, a mere three weeks from now.

Council members suggested that David form a committee to work on details of the coming event. City Manager Howard Stites agreed to serve on the parade committee along with Jim Mason, recreation director; Jack Kendree, Henry Doelger representative; and other civic leaders and children.

The first meeting of the committee was last Thursday night at the city hall, starting at 8 p.m.

"I already have contacted several civic groups," the boy reported today, "and they said they'd get behind the parade 100 per cent."

David added that he has written the United States Naval Electronics school band at Treasure Island which provided marching music for the 500 participants last year.

**Another Band**

He also has contacted the Sixth Army Bagpipers band in the hopes that they, too, will join his parade.

Daly City's company L of the California National Guard, 49th Infantry division, has again promised to participate in the parade. First Lieutenant John P. Creighton, company commander, reports that the marching unit and color guard will definitely appear and adds that he might be able to obtain two tanks and a jeep.

The Pepperettes, award-winning baton twirlers coached by Mrs. James Sunderland, have also agreed to join the parade, according to David.

The Doelger corporation has promised to provide two elephant trains for the parade.

**Garbage Truck**

Al Sereni, president of the Daly City Scavenger company, has promised his newest garbage truck for the occasion.

The recreation department is preparing floats and costumes for the parade, according to David.

A float for "Miss Daly City," Janet Watson, has been promised by the Daly City Garden Club.

The Northgate Transit company will donate three jitneys for the affair, according to David.

Another possibility for parade was arranged by coincidence when Monday night David was introduced to Walt Mails, publicity director for the San Francisco Seals. Mails, who remembered David's parade last year, told the boy that he might be able to secure some ballplayers for the parade.

Other persons interested in helping the "biggest and best parade ever may contact David at PLaza 6-1884.

**HAND SIGNALS**

One way to recognize a good driver is by the way he uses his hands, says the California State Automobile Association. A good driver uses hand signals clearly and leaves no doubt in the mind of other drivers as to what he is going to do.

## Stroud Heads Sport Fishing Institute

Promotion of Richard H. Stroud to the post of executive vice president of the Sport Fishing Institute, Washington, D. C., has been announced by the national conservation agency. Stroud succeeds the late Dr. R. W. Eschmeyer.

Succeeding Stroud as assistant executive vice president is George S. Fichter, formerly editor of The Fisherman magazine.

# Judge Expected To Rule Soon On WIA Directors Election

A ruling is expected early this month by Superior Court Judge Louis B. Dematteis on whether board of directors of the Westlake Improvement association are in office or out.

Judge Dematteis will base his decision on briefs submitted by the two principals, the association, and Irwin T. Cohen, 49 Oakmont, the plaintiff, and no further testimony will be allowed.

The plaintiff, represented by Allan Sapiro, filed his brief Wednesday in Superior Court.

Cohen maintains that the officers are invalid because at the election December 6, 1954, there was no quorum present, as required in the bylaws.

In his brief, Sapiro quotes from the bylaws, which state that five directors of the association shall be elected at the annual meeting, and that no meeting of the members shall transact any business unless a majority of the members entitled to vote are represented.

There were only 58 voting members present at the election, while President Starr Dunham held 235 proxies. Total number of members eligible to vote was 1085, meaning that 543 votes were necessary for a quorum.

"It was positively shown that the annual meeting of members and the annual election of directors each was contrary to the express provisions of both the bylaws and the corporations code. Therefore the election should be set aside and a new one ordered by the court," the brief argues.

Directors in their brief, admit that there was no quorum present at the election, but claim that they were duly appointed to office at a later date by the old board members of 1954 who, in the absence of a new board, were still in power.

Cohen's argument against this stand is that the defendants acted as directors of the association even prior to the March 12 date when they were appointed by the hold-over board.

"The defendants represented themselves to both the membership and to the world at large as being the duly elected directors of the association. As such their election can be challenged only in a direct proceeding such as the present one," Cohen's argument said.

# DC POLICE QUELL FREE-FOR-ALL AT WESTLAKE SHOP

Local police were called Friday afternoon to separate participants in a free-for-all at a Westlake dress shop. Owner of the Fashions Dress shop, 321 South Mayfair avenue, Mrs. Jean Goldhirsch, said today that she would file assault and battery charges against her two San Francisco opponents.

Mrs. Goldhirsch told Officer John Van Otten the argument began when a woman acquaintance and her male companion entered the store and asked Mrs. Goldhirsch to cash their check. According to Mrs. Goldhirsch, she cashed the check despite protests by her daughter, Simone.

The shop owner related that the couple returned to her store a short time afterwards at which time the woman threatened her daughter, "You are no good. I intend to kill you."

Mrs. Goldhirsch said that the woman "attacked" her daughter, and when the shop owner started to intervened, she was "attacked" by the man. According to the police report, the San Francisco woman weighs 215 pounds and stands 5 feet, 3 inches.

A nearby store owner heard the commotion and upon investigation, was told to call the police. Meanwhile three workmen entered the shop to try to separate the contestants.

Mrs. Goldhirsch told Officer Van Otten that she suffered both a knee injury and a bump on the head as a result of the scuffle. She claimed that she had been struck with a 7-Up bottle and a telephone.

She added that her daughter suffered scratches on her face.

**LOCK CAR DOORS**

Do you lock your car doors when you're driving on the highway? Here's an argument in favor of this procedure, says the California State Automobile Association. Tests made by an automobile manufacturer showed that when cars were rolled over at highway speeds deliberately, there was not a single case of a door opening accidentally when the doors had been locked.

# FIND SLAYER OF LOCAL MAN GUILTY OF MANSLAUGHTER

Richard C. Myrick, 29-year-old San Francisco salesman, was found guilty of involuntary manslaughter Monday in the shooting of Charles Ojakian, former resident of 109 Brooklawn, Westlake.

He killed Ojakian while attempting to make a citizen's arrest.

In finding Myrick guilty, Superior Judge John B. Molinari said Myrick had not exercised due caution, but that the arrest was a lawful act.

It was a partial victory for Myrick, since originally he was charged with second degree murder. The killing occurred last February in an apartment house at 427 Stockton street. Myrick had said he thought Ojakian was annoying a young woman neighbor.

The guilty verdict came during Myrick's second trial, the first trial ending in a hung jury.

Judge Molinari set September 6 as date for probation report.

Immediately after the shooting incident, Ojakian's wife and two sons moved from Westlake to Oakland.

# TRUSTEE SAYS -- JEFF HIGH NEEDS A NEW ENGINEER

"I think we better start looking for a new engineer."

That was the opinion offered Monday night by Trustee Ray Whitney at the meeting of the Jefferson High school board of trustees.

Whitney made the statement after hearing a letter from Edwin Smith, present school district engineer.

The board had questioned a bill from Smith for re-establishing boundary monuments at the Westmoor school site. According to the board, Henry Doelger Builder, Inc., should have paid for the survey work because his grading destroyed the original monuments.

Smith argued in the letter that the only monuments obliterated were either on Doelger's property or on other property not belonging to the school district.

**"Pull Them Out"**

He said if the district felt his bill for $825 for re-establishing the monuments was not warranted, he would remove the bill and "pull out the monuments."

The trustees were taken aback at this statement, and Whitney then commented they should look for a new engineer.

"There must be other surveyors in the county," added Trustee Mildred McGeein.

Trustee Elio Fontana suggested that in the future all engineering work be authorized first by the board.

Budget hearing was held at Monday's meeting, and tax rate of $1.20 per $100 assessed valuation was approved.

In other action, the board:

1. Awarded contract for installing plumbing and walls in boys and girls showers to F. Hoffma of San Bruno for $3978.

2. Decided stucco should be used instead of porcelain enamel on upper front portion of new administration building, to keep the exterior in conformity with the older buildings.

3. Held over selection of a school doctor.

4. Accepted resignation of Mr. McCreary as clerk of the works on Westmoor school.

**Hire Woman Driver**

5. Approved hiring of Mrs. Blanche Mann of Westlake as part time bus driver.

6. Approved taking part time in a continuing survey of school needs, sponsored by the San Mateo County District Superintendent's association. The survey will cost Jefferson district approximately $800 the first year.

7. Were informe dby Sterling Builders that the plan to annex a portion of Laguna Salada school district to the San Bruno Park Elementary district has been abandoned.

8. Discussed spending $853 for rehabilitation of boilers.

# THE INHUMANITY OF MAN

**Chairman, Harry T. E. Bosbery, Clarence H. Schmidt and John C. Degliantoni, Honorable members of the Civil Service Board of Review of the City of Daly City, and appointees of the City Council of the City of Daly City to serve in that capacity, on Aug. 1, 1955, submitted their findings of fact, conclusions and recommendations in the David H. Johnstone case as set forth below:**

**BEFORE THE CIVIL SERVICE BOARD OF REVIEW OF THE CITY OF DALY CITY, a Municipal Corporation**

**In the Matter of: DAVID H. JOHNSTONE, a discharged police Inspector of the City of Daly City.**

**FINDINGS OF FACT, CONCLUSIONS AND RECOMMENDATIONS**

(Ordinance No. 203; Rule III, Section 1, and Rule XV, Civil Service Rules and Regulations of the City of Daly City)

## FINDINGS OF FACT

I. (a) That the discharged employee, DAVID H. JOHNSTONE, at all times pertinent to these proceedings, has been governed by the ordinary rules of good conduct and behavior.

(b) It is not true that he has brought discredit and reproach upon the City of Daly City and the Police Department thereof for any of the reasons stated as specifications to the charge numbered 1 in the letter of charges dated May 25, 1955.

II. That it is not true that he did not keep his commanding officer informed of all police matters coming to his attention.

III. That it is true that he made reasonable efforts to discover and investigate crime, including purported gambling, in the City of Daly City and that he informed his commanding officer thereof.

IV. That it is true that he conducted such independent crime investigations as the demands of his other assignments would permit.

## CONCLUSIONS

That from the evidence presented there are no grounds for disciplinary action against the dismissed employee.

## RECOMMENDATIONS

I. That DAVID H. JOHNSTONE be reinstated as Inspector of Police in the Daly City Police Department.

II. That his reinstatement be made effective from the date of dismissal.

III. That DAVID H. JOHNSTONE be paid his accrued salary from the date of dismissal to the date of reinstatement.

Councilman Dennis moved to adopt the recommendations of the Board of Review but the motion died for want of a second. Then Mayor Verducci asked the newly appointed City Manager, Stites, to recommend, and Stites stated that he saw no reason to change his original opinion that Johnstone should be discharged. Councilman Vickers then moved to adopt the recommendation of Stites that Johnstone remain fired, notwithstanding the recommendation of the Board of Review. Verducci seconded Vickers' motion. The vote was as follows:

AYES: DeBernardi, Verducci, Vickers
NOES: Dennis
ABSENT: Wilson

## ost 9921 VFW ponsor Dance

A series of articles was pubhed recently describing how vaus cities are combatting juile delinquency. This disease, it should be called, is a dread d menace to any community.

Post 9921 of the Veterans of reign Wars of Broadmoor Vilge is trying to help diminish this nace by sponsoring a dance ich is to be held September at lombo Hall in Colma, the proeds of which will go to the youth tivities of the district. Last ar, from the proceeds of the nce, the Post sent a Boy Scout ected by Father Hubbard of the iversity of Santa Crara, to Alason Father Hubbard's last expetion. The Post also sponsored n-age dances, parties, and many her social functions.

AMONG THE thirty-one girls selected to serve on The Emporium High school fashion board in San Francisco are five Peninsula teenagers; (l to r) Susan Naylor, Burlingame High school; Diane Giacchino, Jefferson; Mary Ellen O'Keefe, San Mateo, and Arlene Carlson, South City. These girls will serve on the fashion board for their senior year and will commence their activities with a back-to-school fashion musical Monday, August 15th, at 7:15 p.m. at the Emporium Downtown auditorium.

## ROY JOHNSON TAKES SF BRIDE IN SUNDAY RITES

Roy Johnson took as his bride Miss Marie Manini at a ceremony performed Sunday at Corpus Christi church. The groom is the son of Mrs. Marie Johnson of Daly City, and his new wife is the daughter of Mr. and Mrs. John Manini of San Francisco.

The groom is a graduate of Jefferson Union High school and has just recently returned from four years' service with the navy. He is now employed by Southern Pacific. The bride is a graduate of Presentation High school in San Francisco.

At her wedding, Mrs. Johnson was gowned in a white lace dress of ballerina length. It was fashioned with a low V-neck. She carried a bouquet of bouvardia and white orchids, and her veil was of fingertip length and held by a small crown.

Mrs. Johnson's sister, Miss Mureen Manini, served as the maid of honor, and bridesmaids were Misses Misses Ema Lee and Jan Jacobs. Miss Manini wore a pink lace gown and carried blue delphiniums. The bridesmaids were gowned in blue lace and carried bouquets of pink baby roses and forget-me-nots. The three attendants all wore matching crowns.

Serving as best man for the groom was Al Johnson, and ushers were Floyd Gonella Jr. and Bob Varni.

The groom's mother wore a beige wool suit with a fur wrap and brown accessories. Mrs. Manini wore an aqua knit dress, and white accessories complimented her costume. Both mothers had white orchid corsages.

A reception for 225 guests at the bride's family home followed the ceremony. Blue, white and pink decorations prevailed.

The couple are now honeymooning at an undisclosed spot and will make their home in Westlake upon their return.

## Teen Club Dance Attendance High

Saturday night the Mis-Behaven Teen club held their second dance of the month and a large turnout attended the affair. Approximately 250 teen-agers pushed through the doors to enjoy the evenings festivities.

The recent Teen club activities have been received so well by the young set that a Hayride has been planned for Saturday, August 20. The cost of the outing will be $1 and must be paid by August 13 in order for the club to meet the rental fee. At least 50 members must be signed up by this date or the outing will be cancelled.

Other activities included in the summer program are a picnic, scavenger hunt, wiener roast, skating party and a swim day. All of these events have tentative dates.

At its last meting the Teen club executive board resolved to set up a committee to enlarge the organizations membership with a vigorous campaign. Membership cards are currently selling for $1 and entitle the purchaser to participate in all activities as well as providing for reduced rates at all dances.

### ARREST ACCOUNTANT AT KIRCHHUBEL BAR

Police arrested a local accountant on a drunk county Sunday afternoon at Kirchhubel's bar, 6296 Mission street.

Officers were called to the scene when an argument broke out between Stephen Biedove, 46, 75 Hillcrest drive, and John Milani, bartender, the police report said.

Biedove was charged with being drunk in a public place and disturbing the peace. He was released on $50 cash bail and is scheduled to appear in Municipal court on Tuesday at 9:30 a.m.

### Guest Minister At Our Savior Church

The Rev. T. Harjunpaa, professor of liturgics at the Pacific Lutheran Seminary in Berkeley, will be guest minister Sunday, at the Lutheran Church of Our Savior, Junipero Serra and Garfield street in San Francisco.

He will preach at both morning services, 8:30 and 10:45 o'clock.

He is filling the pulpit in the absence of the Rev. Luther M. Schliesser Jr., pastor of the church, who is serving as chaplain with the Armed Forces Reserves at the present time and will be back on August 14.

### Local Chamber Head At Business Banquet

Small business and the operations of the small business administration held the spotlight last Friday night in San Mateo county when business leaders and leading civic dignitaries met at a dinner held under the auspicies of the San Mateo County Development Association at Bob's on Broadway, Burlingame.

Fred Martin, president of the Chamber of Commerce in Daly City, and his wife, were among the many prominent Bay area leaders present.

## Seven Demo Women From This Area At Hillsborough Meet

Seven women from this area were among those present at the all-day meeting of the Democratic Women's club of San Mateo county held at the Norton Benner home in Hillsborough on Wednesday.

In attendance were: Mrs. Lawrence D. Freiberg of Garden Village, Mrs. Lynn Cinti of Daly City, Mrs. M. Frederick Leeds of Westlake, and Mesdames Rocky Hagerman, Eileen Ney Winter, Otto Krawetz and Martin Orloff from Broadmoor.

All interested Democratic women of this area interested in joining this fast-growing group should call Mrs. Orloff at PL 5-0482 or Maryann Freiberg at PL 5-1585.

The next meeting is scheduled for August 17, when members will enjoy a swimming-pool party at another Hillsborough home. Plans are being formulated for a huge fund-raising event to be held in October.

### Watson Not Involved In Mission Street Mishap

It was incorrectly stated in this paper last week that a car involved in an accident on Mission street belonged to Harry E. Watson, 46, 32 Flournoy street.

Watson, a local mailman, had just sold the car to Gene Blackstone, car dealer at 6889 Mission street. The mistake was made when police officers copied Watson's name from the car registration and listed it on the accident report.

**THE SIREN SONG**

It's all right when you're walking along the street to turn when you hear a siren and see what is coming. But when you're driving there's only one thing to do, says the California State Automobile Association: Pull over to the right clear of any intersection and come to a complete stop.

## DOYLE SON HAS BIRTHDAY PARTY

Bobby Doyle, son of Mr. and Mrs. Joseph Doyle, celebrated his eighth birthday Wednesday with a party at his home, 160 Abbot street.

Guests were Alvin Wong, Rickie Van Aken, Wayne Snow, Johnny Kirby, Mike Burger, Rickie Ferretti, Doug Urbanus, Roger Olmanson, Dennis Navarra, Dennis Cunningham, Billy Willouby, Jay Kline, Tommy Graves, Georgie Gluck and Kay Direckson. Unable to be present because of illness were Billy Van Aken and David Jacobsen.

## Westlake Temple To Begin New Series On Jewish Books

With the return of Rabbi Bernard D. Rosenberg to the pulpit of Westlake Temple last Friday night a new series of forum-services was started. The general topic is "Great Jewish Books." Following last week's discussion of the Bible, the Talmud will be the subject for this Friday evening. Summer services begin at 8:30 p.m.

The many committees of the congregation have completed their plans for the coming year and the congregation is looking forward to a full schedule of activities—religious, educational and social. Cantor Harold Wachter is training a choir to participate in the Holyday ritual and they have been meeting weekly. Tickets for these services are now available through the Temple Office, PL. 5-9463. Because of the growth of the congregation during the past year non-members are urged to obtain seats early so as not to be disappointed, according to Cantor Wachter.

The Religious Education committee is urging the same advice on parents who wish to enter their children in the Religious school. A growing membership and limited space make it imperative that new children be registered as early as possible.

The social season of the Temple will open with a huge affair on Yom Kippur night, September 26. Under the chairmanship of Mrs. Arnold Bienner and Mr. Alfred Halpern a most enthusiastic committee has been planning an affair which, it is felt, will be even more successful than last year's. Reservations may be made by calling LO. 4-6747.

### Blood Bank Officials Laud PTA Cookie Job

Officials of the Peninsula Memorila Blood Bank in Burlingame this week paid tribute to the work of the Seventeenth District PTA covering this county for its work in providing free cookies to the Blood Bank every week for the past twelve years.

During that time over 259,000 cookies have been provided free to the blood donors at the Blood Bank.

Directing the 119 school PTA units from Daly City to East Palo Alto in the service is Mrs. Leland E. Engleman of Redwood City, director of health for the Seventeenth District PTA.

Mrs. Engleman has prepared a detailed list showing each week which PTA unit is responsible for providing 30 dozen cookies. The schedule works out so that each unit has its turn about once every two years.

**BRAKE CHECK**

Have you had your car brakes checked recently? It's wise to do this at least every six months, says the California State Automobile Association.

## VFW Auxiliary Holds "Hawaiian" Meeting

Mrs. Agnes Sirianni, monthly hostess of the VFW auxiliary, Lake Merced chapter, No. 9921, presented an Hawaiian motif at last week's meeting of the auxiliary.

The idea of a monthly motif was presented recently by President Maryann Read. Under the new plan a monthly hostess is named, and she prepares the theme for the evening meeting.

Mrs. Sirianni's motif envisioned a "trip to Hawaii" by plane and return trip on the Lurline. Island decorations included a miniature ship as a centerpiece, and refreshments were reminiscent of Hawaii.

Another new innovation for the auxiliary is printed programs of coming yearly events which have been sent each member.

Business at the meeting included the presentation of a citation to Edith Solbakken for outstanding work during the recent poppy drive.

Plans for the annual picnic at Flood Park, Menlo Park, to be held August 23, were discussed. The picnic is under the combined sponsorship of VFW post and auxiliary, boy scout troop 129 and the boy scout Mothers' club. Stella Magoon is coordinating chairman for all four organizations, and named as assistants are Scoutmaster Herbert Stettler, Edith Solbakken and Hilda Stettler.

The picnic will be open to all Broadmoor residents and will offer a barbeque, games and prizes.

## Episcopal Mission Vicar Plans 2 Holy Services Sunday

St. Martin's Episcopal mission, 94 Palmdale avenue, will hold Holy Communion this Sunday at the 8 a.m. and 11 a.m. services, according to Mrs. L. S. Buel, publicity director.

Coffee hour will follow the services, according to Mrs. Buel.

Projects on improving the interior of the mission are progressing. Mrs. Florence Fitzpatrick, 642 Southgate avenue, is in charge of making kneeling cushions for the mission while the men in the congregation are working on heating improvements.

Named as pianist for the mission is Miss Jane Buel, a Jefferson High school senior.

Vicar of the mission, The Reverend Henry Dick, invites all Episcopalians and persons not yet affiliated with a church to attend services.

### VOTE REGISTRATION OFFERED AT FIESTA

Registration, the first step toward voting, will be offered all citizens, regardless of party affiliations, at the Republican booth, which the San Mateo County Republican Central committee, is setting up at the San Mateo Fiesta, beginning today (Friday).

Volunteer Republican workers will be on hand to assist the corps of non-partisan registrars during the afternoon and evening hours, according to John Dinkelspiel, chairman of the San Mateo County Republican Central committee.

Today the San Mateo County Council of Republican Women will be represented by Mesdames John Eason, Mabel Bried, and Ralph Coverdale, Daly City; Goldwyn F. Whitebread, Redwood City; John Echelman, Menlo Park; Edward Russell, Dallas Conine, Kenneth M. Graham, and Miss Marion Neuman, Woodside.

Trailers are needed for vacations. A classified ad will bring speedy results.

SHANNON HARDWARE, located at 6370 Mission street, now carries "Boyco" Rubbish Burners—22 gallon size and priced at just $4.95! These overall vented, black painted steel containers are built for long wear, easy cleanup and safety! We recommend them to all men—and WOMEN—for deluxe disposal of all indoor and outdoor rubble!

Karl and Isabelle Kettler, RELISH BAKERY owners who returned Monday from a trip to Canada, etc., found some of their going really "rough"—and "hot"—, but not all of it from the sun! Heat during the day they could stand and even like, but MAN! those thunder and lightning storms at night were what had them saying "California—here we come!" (And are we glad to see them COME back.)

Finally pinned down the flavor of Pepsodent's Chlorophyll toothpaste: "old fashioned mug root beer!"

HILLTOP CAB CO's. new blue and gold taxi is a real stunner, but only because of necessity. Seems they wanted a new black one to ditto the other members of the fleet, but this two tone was all that was available. Let's hope for more of the same, though.

HILLTOP MARKET, because of its terrific volume of business, is often out front with "special inducement" packages of regular merchandise. A couple of weeks ago we mentioned the Rice Krispies "Atom Sub" pack (still available at HILLTOP, by the way) and here are two new ones for this week: First—and for women who sew instead of for the kiddies—is the BUTTON deal offered by Kellogg's CORN SOYA, a dry cereal which is extra high in protein and tasty, too. One box top plus 50c will get you 216 buttons in 27 sets of eight. This is a $4.50 retail carded value and the buttons come in many colors, varieties and materials ranging from pearl and plastic to metal and glass. All sizes, too, from three eights of an inch to seven eighths of an inch. Next—and watch for the display on these—Davey Crockett drinking mugs—in white glass, Davey Crockett designed, with sturdy handles and full of delicious BIG TOP Peanut Butter. Six ounce size and send top for prize.

The DALY CITY DRUG CO.—on Saturday, August 6 ONLY—will hold an ELECTRIC SHAVER CLINIC right in the store. That means that your shaver—and any make or model—will be serviced on the spot! Servicing of electric shavers is a day by day service offered you by the DALY CITY DRUG CO., but this is a super service special which entails no waiting on your part. Take advantage of the DALY CITY DRUG CO's. Electric Shaver Clinic Day on August 6. Address is 6331 Mission street, PLaza 5-1445!

MODERN PAINTERS & DECORATORS owner Henry Cosmos has been doing a lot of work and for "nothing" in his pocket, too! Job involved is the really amazing renovation of the American Legion Hall at 474 San Diego avenue—and while we laud Henry Cosmos for his work there as painter, decorator and straw boss—we laud, and equally, the other members of this up and coming group of men for their interest in the improvement of their premises and even more for their interest in the improvement of the community as a whole! MODERN PAINTERS & DECORATORS is located at 239 Knowles; PLaza 5-5798.

## Mrs. Molkenbuhr To Be Installed Head Of Catholic Women

Mrs. Edward Molkenbuhr Jr., recently elected president of the Westlake Catholic Women, will be installed at that group's first meeting of the new season in September.

The activities or the Women's club will be heavy this year due to the building of Our Lady of Mercy auditorium and school, which will be ready for occupancy in September, Mrs. Molkenbuhr said.

In addition, the women will plan their annual fashion show, their annual ball and many other events, she added.

Mrs. Molkenbuhr, a graduate of Star of the Sea Academy, attended San Francisco College for Women, and is a member of the Junior Chamber of Commerce Women's Auxiliary, Loyola Guild, Sacred Heart Alumnae and a charter member of the Little Children's Aid Junior Auxiliary. She is the mother of four children.

## COAST DEER SEASON PROSPECTS BRIGHT

Prospects for the 1955 coastal deer season, which begins Saturday and continues through September 18, are generally better than last year, when an all-time record deer bag was set, Department of Fish and Game wardens report.

Throughout Region III, embracing coastal counties from Mendocino through San Luis Obispo and the major early season deer producing areas, the animals are in excellent condition.

Two factors will affect the kill in that area, the wardens report. Fire danger will be extreme and may limit opening of some private land. Another is that more ranches have been leased for hunting clubs, which should increase the harvest in counties where most land is privately owned.

Department officials reiterated the need for doubled vigilance in preventing fire, and in keeping a clean camp. Hunters should carry water with them in most coastal areas. Bag limit is two bucks, forked horn or better.

Wanted—baby sitters. . . . We have had requests for baby sitters. Your class ad will get results.

# News From The Parks

**MARCHBANKS PARK**

Quiet games are enjoying an unusual popularity this summer. The current favorite, pick-up sticks, is being enjoyed by all ages. Sharon Henricks, Mary Ann and Isabelle Montave, Dick Gonzales and Bob Galightly really go for this game.

Jacks is another newcomer to the list. Even the boys join in to test their skill. Chantel St. Clare, Sandra Sims, Rosemarie Stabeal and Margaret Muela are getting in practice for the jack tournament next week.

The Russells have kindly loaned their skunk and cootie games to the park. These games are quickly catching the children's favor.

Tumbling and stunts are now occupying the lawn area. George and Bob Claus are undisputed masters of these activities. The forward roll, cartwheel, pyramids, frog stand, all these and many others are executed by Steve Anderson, Mike Wills, Gordon Kennedy, Tom Joyce, Mike Kennedy and Mike Peacock.

**Cooperation**

Co-operation is the keynote of success at Marchbank. Last week was an example of the kids doing just this. They helped clean up the park by picking up papers, sticks and other articles. The clean-up committee was Mike Raeburn, Rudy Ramerez, Bob Galightly, Diane Anderson, Chantel and Maree St. Clare, Tom Joyce, Rose Stabeal, Sharon Henricks, Ginny Shroeder, Pat and Elaine Van Kall, Steve Anderson, Les and Buz Russell and Mary Montavl.

Bingo proved a successful way to spend a cold Friday afternoon. Over 40 children tested their lucky streaks. Some of the winners were Sonny Martinez, Bob Barry, Larry Day, Joan Malloy, Pete Garcia, Corky Russell, Adela Gonzales, and George Stabeal. The kids have designated Friday as official Bingo Day. Everyone is welcome to join in.

Practice for the Jr. Olympics is getting underway. Marchbank has won the title of Jr. Olympics champions for six consecutive years.

**SPECIAL EVENTS**

The Army played host to 200 Daly City youngsters. This was a real treat for the kids. On arriving at the Presidio each group visited a different place. Danny and Marty Craig, Terry and Sandy Pecardo and Dave and Fred Murphy enjoyed the half hour movie which showed Armed Forces in action through the winter and summer seasons. Old Fort Point was the first choice of most children. Clare Root, Harold Iodence, Jean and Jerry Keefe, and Gene and Tony White were captured by the lure of this old fortress. The dungeon held the interest of Diane Smeper, Norm and Carol Abert and Jerry Sefford. Visits to the library, Cressy Field, and other sight seeing points concluded the day.

**BIKE DAY**

A merry medley of whirling wheels was the scene at the first of a three week long bike contest. Close to 80 bicycle owners were entered in the competition. Points will be tallied and the highest point holders awarded trophies. There is still time to get in on the fun and prizes. Remember it's held every Thursday at 11 o'clock at Marchbank Park.

**FRANKFORT PLAYGROUND**

Saturday Frankfort Park was changed into a pirates den. The junior Blackbeards sought the buried treasure on the emerald green and on the dusty shore.

Mary Guillory found handmade earrings with a pearl center, while Margaret Hartl and her sister Nancy found imported perfume.

Mike Larios found more loot than he could carry, but his sister Linda walked directly by some of the treasure without discovering any. David Guillory, Larry Black and James Hartl were pirates who found edible booty. For future playground events please contact Miss Carroll, director.

**EDGEWOOD PARK**

All of the children are enjoying coloring, chinese checkers, and regular checkers which seems to be at the peak of its popularity right now. We still have the same champions, Diane Caruso, Janet Pope, Lee Potter, and Gary Monyhum, although they have been bombarded with challengers.

Saturday Lucca's Market and Mrs. Franco donated the watermellon for a feast and contest he which was enjoyed by at least 50 children. Tooth pick plunging contest was won by Susanne Axt and Linky Armstrong. Speed in eating and in running combined was won by Priscilla Gruenwald and Giny Shroeder.

**ARTS AND CRAFTS**

The arts and crafts program is still on in a big way with new activities being added. Last week saw the introduction of papiermache at some of the playgrounds. It went over with such success that we will continue it for another week.

Again we would like to thank another of our little helpers—this week our thanks goes out to Carlos Rivas at Olympia school.

Other activities that are still in demand include pyrocraft braiding, copper tooling, model biulding and leather craft.

To keep the tiny tots entertained, coloring and cut paper designs including collage were presented last week.

It is hoped that all of the children participating in the arts and crafts program will enter their work in the big arts and crafts show that will be held in the Community Center on August 28 and 29, 1955.

**LINCOLN PARK NEWS**

The activities of the past week have been keeping everyone at the Lincoln Playground very active. Wednesday we went on our weekly trip; this time we went to the Presidio. Lincoln had 35 children participating, our biggest turn-out to date. Thursday the recreation department had a combined weiner roast and bike day at Marchbanks park.

Friday we had another scavenger hunt which went over very well with approximately 20 participants. This is going to be a weekly affair every Friday at 2 p.m.

Monday we are starting a checker tournament.

We have also been having a daily story telling hour. This is held daily Monday through Friday from 3 to 4 p.m.

Anyone interested in participating in any of the above-mentioned activities please contact Mr. Mendosa.

**ARCHERY TOURNEY**

The archery ladder tournament is still going on with a huge number of entries. Jefferson Elementary is the most eager group in trying to get up there. In this last week their high scorer was put out of commission when he suffered a broken toe during swimming practice. Mike Blume is this unfortunate person's name.

In the various other playgrounds and parks the race for leadership is hotly contested. All realize that every point counts so they are taking extreme care when they shoot so that all their arrows will land in the higher scoring rings. The first three spots in the tournament at the various areas are: Marchbank—Mike Cox, Larry Cox, Gordon Wills; Colma-Dan Rix, Bob Wismans, Gary Braugh; Jefferson Elementary — Mike Blume, Gary Baughn, Harold Gordon; Westfake —Steve Chensvold, Rich McLean, Alan Chensvold; Olympia — Richard Davis, Mike Maiourau, Robert Beukers; Frankfort-Mariella Bisset, Tim Ramsey, Ron Molinas.

The leaders of the "Bullseye Club" are Dan Rix, 50, Larry Delfino, 33, Mike Blume, 23, Dick Tomlinson, 20, and Gary Baughn, 21. New members to the club are: Bobby Malendes, Bill Hix, Bruce Hix, Jimmy Eddy, Mariella Bisset, Manual Villa, Steve Chensvold, Sandy Schenfeld, David Newshwanger, Ed Berg, Lee Bowman, David Gehre, Joel Hollander and Don Heilsen.

Thanks goes to Mike Cox, Dan Rix, Gary Baughn, Dick Tomlinson, Mike Blume, Bob Wismans, Rosemarie Ordonez, Danny Luciano, Gail and Dicky Vaurs who have helped the directors in the scoring of the various challenge matches.

## MOSSI EARNED RUN AVERAGE IS THIRD LOWEST IN MAJORS

Statistics released this week show that Pitcher Don Mossi of the Cleveland Indians, former Daly City sandlotter, has the third best earned run average in the American league.

The figures, compiled for pitchers had thrown 50 or more innings, showed Mossi had only allowed 1.98 earned runs per game. Only AL chuckers with superior records are Konstanty of the Yankees, 1.45, and Billy Pierce, Chicago, 1.74.

Mossi finished well up with the front-runners in the ERA department last year.

Actually, Mossi has the third best ERA in all the majors, since the top National league performer, Johnson of Milwaukee, has allowed 2.38 earned runs per game.

## WHOLE FAMILY NEEDS TICKETS FOR W'LAKE NITE

"Tickets for 'Westlake Night' at Seals Stadium August 25 must be obtained for each member of the family," stressed Al Boudou, president of the Westlake Business and Professional association, at that group's meeting last week.

The tickets will sell for reduced prices, if purchased at the Westlake Shopping Center, but regular admissions will prevail if the ducats are bought at the ball park.

The association announced that Walter Mails, Seals publicist, had arranged to have ball players visit a booth to be set up in the mall on August 5, 18 and 19. They will be available for interviews and autographs from 2 to 3 p.m. on those days, Mails said.

In other action at their meeting last week, the merchants group voted to have a banquet on either August 16, 17 or 18 for incoming and outgoing officers. Members of the planning committee are Vic Johnson and Orin Bender.

## Win Saturday Will Give W'lake Rockets PJL Championship

Beat Millbrae Saturday and pick up all the marbles!

That's all the Westlake Rockets have to do to finish undefeated and claim the Championship of the Peninsula Junior Baseball league.

The Rockets won by forfeit last Saturday, as Sharp Park failed to field a team.

The Westlake team now has five straight victories against no losses.

The worse they can come out is in a tie for first if they lose in this Saturday's game, to start at 10:30 a.m. at Capuchino high school diamond.

The Rockets are also setting the pace in the Daly City Junior league, playing under the name Westlake Indians.

### Motorcycle Ski-Jump

A ski-jump for motorcycles will feature the tourist trophy races at Belmont Speedway Saturday night. The world's fastest quarter mile track will inaugurate cycle "steeple-chasing" which has been so popular in Southern California.

First heat race of the eight-event program will be at 8:15 p.m. with time trials preceding.

## MOSSI, NARLESKI SAVE ANOTHER ONE

That famous pair of "firemen," Don Mossi of Daly City and his teammate, Ray Narleski, saved another victory for the Cleveland Indians last week as they nudged Boston, 6-4.

Mossi stepped up to the Red Sox redoubtable Ted Williams in the eighth with two men on and struck the "splendid splinter" out.

Narleski took over in the ninth, fanning Faye Thorneberry, also with two on the bags.

### Local Man, 47, Arrested On Drunk Charge Here

A 47-year-old unemployed man was arrested at a Mission street market Sunday night and charged with being drunk in a public place.

Released from custody the following day was Alonzo B. Hulse, 47, 6610 Mission street. Officers were called to Keithley's market, 6390 Mission street, when it was reported that Hulse was bothering one of the clerks.

# SPORTS

WINNERS of the Westlake Lounge hole-in-one tourney are Colonel Charles L. Driscoll, 43 Windsor drive, and Mrs. Janice J. Alary, 1617 Balboa Way, Burlingame. The champions, who were awarded trophies Sunday, competed against 194 contestants. Mrs. Alary declared that credit was due Bill McArthur, golf pro at the Treasure Island driving course, while the Colonel explained that his prowess at the hole-in-one tee is due to practice and study at local driving ranges. A playoff between the two victors is planned by the Lounge in the near future. About 40 other competitors were awarded prizes by the Westlake Lounge.

## Broadmoor Yanks Win One; Indians Remain Undefeated

Broadmoor Yankees gained their initial win of the season in Daly City Junior league play Saturday, turning back Sharp Park, 9-4, after a five-run seventh inning spree.

Sharp Park relief chucker Dave Simmons balked in a run in the sixth to break a 4-4 tie, after Broadmoor had trailed, 4-1, at the opening of the inning. A squeeze and an error brought in two runs and Gus Gustafson tied it up with his fourth hit of the day, driving across Fred Williams.

After Simmons balk, the Yanks' batting attack exploded, as they picked up four more runs on five hits.

**Indians Shut Out Suds**

In the other Junior league contest, the powerful Westlake Indians shut out Daly City Suds, 9-0, to maintain league leadership with a 4-0 mark.

Little league play found 12 Mile House gaining their third win, as they topped Brisbane, 8-3.

The Bluejays overcame a stubborn Kiwanis nine in the seventh inning to prevail, 19-13. This was the Jays first win in five attempts.

In Intermediate competition, Broadmoor upset the league-leading Pirates, 5-4, on a seventh inning single.

The Pirates went into the seventh with a 4-3 lead. Broadmoor opened their at bats by placing two men in scoring position on two Pirate errors.

Phil Fair then singled sharply through the Pirate third baseman and both runners scored, handing Broadmoor a 5-4 advantage.

Broadmoor pitcher Rich Geno, who had allowed the Pirates but five scattered hits up to this point, clamped down on the opposition with a no-hit performance in the seventh.

Broadmoor now has a 2-2 mark. The losing pitcher was reliefer Joe Millet, who came in for Homer Dickenson in the fourth.

**OLPH Leads**

OLPH moved atop the intermediate league standings with an easy 14-3 triumph over Sharp Park. Rich Morales claimed the win. It was the third straight victory for the parochial team.

Brisbane drew a bye.

# RALPH'S THUMPS REALTORS, 19-11; FIRST LAGOMARSINO SOFTBALL LOSS IN 2 YEARS

Ralph's Cleaners handed Lagomarsino their first defeat in two years, 19-11, to win the playoff championship in the Daly City recreation department's Adult Softball league this week. Since the Lagomarsino club won the round robin championship and Ralph's holds the play-off title, both teams will now play a two out of three series for the league championship.

Wednesday night's slugfest was broke wide open during the fifth inning when Bob Rodrigo belted a grand slam homer deep to left to give Ralph's club a five run bulge. With the score standing 15-9 going into the seventh-inning Ralph's continued the onslaught with a four-run outburst. Lagomarsino pitcher Vic Drago opened the frame by walking the first two batsmen. Pitcher Mike Orlich stepped to the plate and blasted the second pitch to right field scoring both runners. After Jim Mason reached first on an error Rodrigo banged out his fourth hit of the night chasing home a pair of runs.

Lagomarsino's heavier hitters for the evening were Guido Beroldi with two singles in three attempts, Don Lunghi with a pair of base hits, and player manager Leo Massoni with a single and a double in four trips to the plate.

The two clubs meet again Monday evening at Jefferson in the first game of a two out of three series to determine the league champion.

Ralph's won the right to meet the Lagomarsino club for the playoff title by downing the strong Daly City Drug Nine, 3-0, in a game played on the Marchbanks diamond Monday evening. Orlic Ralph's pitching phenom, hurl one of his finest games of the se son as he blanked the heavy hi ting drug company on two measl hits.

All the scoring in the conte came in the third inning wh Ralph's first-baseman hit his thi home run of the season with tw aboard. The defeat ousted Da City Drugs from the play-offs.

Lagomarsino's made the play-o championships by overpowering game but outmanned Eagles tear 25-5, in a Monday night conte played on the Jefferson Hig school field. The Lagomarsin hitting attack featured the slu ging of Don Lunghi, Leo Massi and Al Cheloni. Vic Drago sca tered eight hits in going the rou for the victors. Vic now has a nin and one pitching record.

## DALY CITY BRAVES TAKES FIRST WIN IN SENIOR PLAY

The Daly City Braves, led by Eddie Leveroni, who turned in an exceptional two-hit pitching performance, blanked the South San Francisco ball club to garner their first victory in the San Mateo County Senior league Sunday.

The local line drew first blood in the opening inning when Ino Patron who had singled, stole second and after moving to third on a fielders choice, romped home with the initial run on Barry Haanen's sharp single to left.

After adding a run in the third the Daly City youngsters exploded for three more in the fifth. First baseman Paul Tapia led off with a base hit and scored when Haanen blasted a tremendous double to left center. With Bill Strassberger on first on an error Jim Scott delivered the second extra base blow of the inning, chasing Strassberger home. Scott scored from second base when Eddie Leveroni hit the first pitch over the infield for a single.

The Daly City lads wrapped up the scoring in the seventh inning on a pair of walks and a costly South San Francisco error.

The victory gives the local lads a 1 and 3 record as they were nosed out by Millbrae 2 to 1 in their first start and then bowed to the powerful San Bruno club 6 to 0. Actually the League is over as far as the Daly City team is concerned since there are only three teams competing. The Braves however plan to schedule independent games on Sundays.

### Seals DiPietro Night

Bob DiPietro night at Seals stadium has been set for August 21, Seals publicist Walter Mails announced this week.

DiPietro, first baseman, was among the top Seal performers until he suffered a broken leg in June.

Committees are being formed for DiPietro night, Mails said.
